

### REMARKS

The Office Action of January 5, 2005 has been received and its contents carefully considered.

The error in the last Amendment regarding approval of the proposed drawing changes is acknowledged.

In order to secure allowance of this application without further prosecution, the present Amendment cancels rejected claim 5. This leaves only allowed claims in the application, so it is respectfully submitted that the application as a whole is now in condition for allowance.

In view of the foregoing, reconsideration of the application is respectfully requested.

Respectfully submitted,

---
